

RESEARCH ASSIGNMENT #2

INSTRUCTIONS

SUBJECT: HYBRID THREATS

YOUR PAPER SHOULD INCLUDE, BUT IS NOT LIMITED TO:

Your assignment is to read more about hybrid threats, such as those that are part of the TDSS, Zeus or other complex threat platforms.

Write a report summarizing your findings in two (2) content pages or less. Content pages do not include a cover page, bibliography or references.

Your answer must include an explanation and demonstration of at least two (2) specific, very different attack vectors. That means, there must be at least two (2) distinct, different methods of attack, that are used in combination to achieve the attack.

You do not have to discuss TDSS or Zeuss specifically but, your example--if you choose a different virus or attack--must be a hybrid threat.

REMEMBER:

You are graded on grammar, spelling and punctuation as well as your content.

There is a 1/2 point deduction for each error that your paper generates on www.languageTool.org
